

REMARKS:

In the Office Action dated July 15, 2003, the Examiner indicated certain deficiencies in the specification and drawings, but indicated that Claims 1-17 and 19 were allowable. In response, the Applicant has amended the specification and drawings in accordance with the Examiner's requirements, and has cancelled the non-allowed claims.

Applicant has made an earnest effort to be fully responsive to the Examiner's objections and now believes that the application is in condition for allowance. If, however, the Examiner should for any reason consider this application not to be in condition for allowance, he is respectfully requested to telephone the undersigned attorney at the number listed below prior to issuing a further Action.

Respectfully submitted,
